

# CHESS CLOCKS

## Digital Clocks

**DGT 1001 White \$39.95**

Entry level digital clock. Popular for quick games and schools. 15.5cm length, 6.0cm width and 4.5cm height.

**DGT 1002 \$44.95**

Similar to 1001 but with bonus time/increments. 15.5cm length, 6.0cm width and 4.5cm height.

**DGT Easy (Black Beyond) \$59.95**

Practically unbreakable and very suitable for schools.

**DGT Easy (Plus) \$64.95**

Has additional increments functionality—time can be added after each move.

**DGT 2010 \$99.95**

Official “FIDE” clock for tournament play. Numerous pre-set options that include incremental time controls.

**DGT 3000 \$129.95**

Top of the range model. Complies with FIDE regulations and can connect to all DGT E-boards.

**Retro Analogue Clock \$29.95 EA**  
*with familiar tick-tock sound.*

*All prices in Australian Dollars (A\$) and include GST but exclude delivery. Digital clocks come with a 1yr warranty.*
